

# To Those Who Disbelieve in God

All Scriptures from The Old and New King James Versions

Atheist and Agnostics have for decades presented their arguments as scientific facts with no proof using strict scientific methods. Their arguments are based on observation and speculation of how what they observed fits together. *Ralph O. Muncaster* in his book *Dismantling Evolution* shows how they are using soft science and not hard science to present their arguments. Every other science uses observation and experimentation to the end of the experiment and mathematics to prove their theories. *Evolutionist* use some observation but not to the end and almost no mathematics. I do recognize that observation in experimenting are harder in these endeavors because it is impossible for the vast amount of time necessary for the end observation. Experiments they have tried have only proven amino acids can be caused to assemble under conditions they think were present in the past. What they don't tell you there a vast number of amino acids necessary for life to survive especially in complex life forms. These amino acids are necessary to produce the vast number of proteins necessary for life.

They have synthetically created viruses in the laboratory, which can replicate themselves, but only in living matter. How can chemical matter start life? This question has never been answered. I don't think it will ever be answered. (To be fair this is my personal belief or opinion. My supposition based on a belief in God.) Where am I leading in all this? I believe all the evidence shows *intelligent design* rather than evolution. If I take the evidence, they use for their arguments like the fossil record it shows *intelligent design*. The Cambrian period in the fossil record shows an explosion of complex life with no transition states, as they say must be there to change from one species to another.

I do believe in micro-evolution in a strict sense but only within a species or *kind*. This does not contradict the Christian Bible. Read the following passages:

***Gen 2:1*** Thus the heavens and the earth, and all the host of them, were finished. ***2*** And on the seventh day God ended His work which He had done, and He rested on the seventh day from all His work which He had done. ***3*** Then God blessed the seventh day and sanctified it, because in it He rested from all His work which God had created and made.

It says God rested. It does not say he stopped his creation. If he had stopped, we would all look as Adam or Eve. There would be no races. There would be no different breeds of animals as dogs or horses. God is still creating. The similar equivalent to species in the bible is *kinds*. Read the following passages:

***1Co 15:38*** But God gives it a body as He pleases, and to each seed its own body. ***39*** All flesh is not the same flesh, but there is one kind of flesh of men, another flesh of animals, another of fish, and another of birds.

This is somewhat different from men's classification of species. I believe the Bible is more correct. (This is my opinion.)

The theory of *intelligent design* does explain the evidence better with less contradictions. Truly there is plenty of evidence. Mathematics of probability seem to show there is not enough time for evolution from matter to life even with the estimated time of 15 billion years. This based on everything necessary for complex life. *Intelligent design* seems to indicate there must be an intelligent designer. Who designed it? I believe it was the God of the Bible.

You must make up your own mind. I can't do it for you. God does not want you to believe in him by force. He does not want robots or zombies. His love will not do this type of a thing. He wants you to choose to love him. This is evident because he allowed man to choose his own way. He did however make a plan for you to change your mind by his plan of salvation.

I know some will reject this information. This is expected. Why? Because you cannot change a man or woman's mind if their attitude is, they don't want to believe, because they love what they are doing and will always seek excuses to do as they want. Don't argue with those who will not listen. Consider these passages:

**Mat 13:14** *And in them the prophecy of Isaiah is fulfilled, which says: 'HEARING YOU WILL HEAR AND SHALL NOT UNDERSTAND, AND SEEING YOU WILL SEE AND NOT PERCEIVE; 15 FOR THE HEARTS OF THIS PEOPLE HAVE GROWN DULL. THEIR EARS ARE HARD OF HEARING, AND THEIR EYES THEY HAVE CLOSED, LEST THEY SHOULD SEE WITH THEIR EYES AND HEAR WITH THEIR EARS, LEST THEY SHOULD UNDERSTAND WITH THEIR HEARTS AND TURN, SO THAT I SHOULD HEAL THEM.'*

**Rom 1:20** *For since the creation of the world His invisible attributes are clearly seen, being understood by the things that are made, even His eternal power and Godhead, so that they are without excuse, 21 because, although they knew God, they did not glorify Him as God, nor were thankful, but became futile in their thoughts, and their foolish hearts were darkened. 22 Professing to be wise, they became fools,*

**2Ti 4:3** *For the time will come when they will not endure sound doctrine, but according to their own desires, because they have itching ears, they will heap up for themselves teachers; 4 and they will turn their ears away from the truth, and be turned aside to fables.*
